

MICHIGAN WASTE INDUSTRIES ASSOCIATION
ANTI-TRUST STATEMENT

Michigan Waste Industries Association (MWIA) meetings are scheduled to discuss matters relating to the business of solid waste management and not to discuss or pursue the interests of individual companies. Legitimate topics of discussion may include: legislation, lobbying, judicial activities, regulatory matters, public relations, and other subjects pertinent to the waste industry.

Waste industry companies are competitors in the marketplace and the industry does not have immunity from antitrust laws. With that in mind, the written agenda will be strictly adhered to and there shall be no formal or informal discussion of any matters relating to rates, private contractual matters or marketing. There shall be no discussion of any individual company's market response to legislative developments.

Given the potential antitrust implications of any discussion or consideration relating to any of the forgoing topics, no deviation from this policy will be allowed.
